Features Overview

- **Try Our Project Lists**

- You can access or create your Project Lists once you've logged into Woodworker.com
- Use your Project List as a way to keep track of your current woodworking projects. Create a new project through the *MY PROJECTS* link and give it some details such as a description and a "status"
- Need something to complete your project? Add products to your Projects through the product pages

The screenshot displays a project management interface. On the left, an orange sidebar contains project details: Project Number:0001, Project Name....:test01, Description.....:, Status.....:, Last Updated...:11/30/2004, Set As Active, Edit Header, Robert Tyrrell 's Projects, and a dropdown menu for 'Select A Project Option:'. The main area has a yellow background and is titled '0001 test01'. It features a table with columns: Del, Part No., Descrip, Qty Desired, Unit Price, Total, and Order Box. The table lists four items: MEDIUM OAK SHAKER PEGS, QUART ORIGINAL TITEBOND, LITHIUM-ION CORDLESS TOOL KIT, and 145PC SUPER ACCESSORY KIT. Below the table, the 'Estimated Total Project Cost' is \$141.76 (Excludes shipping & taxes). At the bottom, there are buttons for 'Print Preview' and 'Add Non-Woodworker'. A footer note states: 'Woodworker's Supply lets you create multiple projects. You can shop the Woodworker's Supply site to assign all of the products you need for each project. Track them by project! Save time by checking regularly on pricing and availability.'

NEW HOME PAGE FEATURES

1. Shopping Cart – View the number of items currently in your cart and the subtotal prior to taxes and shipping.
2. Product Category Tabs – Our most visited product categories can now be accessed using the product tabs along the top of the page.
3. Simplified Product search – Our search interface has been modified to make it easier to use. Enter your search term and click ‘Find’ and relevant results will return in a few moments. We’ve also implemented some modifications to the search results pages to make them easier to navigate.
4. Easy Access to Catalog Rapid Order – If you have a catalog in-hand and know the catalog number of the product that you would like to order, it is now easier to quickly enter those products and proceed to checkout. Enter the number and click ‘Add to Cart’ and the products will be added directly to your shopping cart.
5. Account Log-In – Now you can login to your account directly from the homepage.
6. Email Sign-Up – As those on the email list know, we are using email extensively to introduce hot new products and to announce our best limited-quantity promotions. Now you can enroll directly from the homepage.
7. Top Ten Best Sellers – Are you interested to know what others are buying? This list shows woodworker.com’s ten best-selling products.

The screenshot shows the Woodworker's Supply website homepage. At the top, there is a navigation bar with categories: Abrasives, Adhesives & Finishes, Bits, Hinges, Drawer Slides, & Other Hardware, Fasteners, Machinery, Power Tools, and Other Products. A search bar is located on the left, and a shopping cart icon is on the right showing 1 item for \$0.00. Below the navigation bar, there are several promotional banners and product categories. Callouts 1 through 7 point to specific features: 1. Shopping Cart (top right), 2. Product Category Tabs (top navigation), 3. Simplified Product search (search bar), 4. Easy Access to Catalog Rapid Order (top right), 5. Account Log-In (top left), 6. Email Sign-Up (top left), and 7. Top Ten Best Sellers (bottom right).

What's Coming

A whole new look is coming.

We want to make the new Woodworker.com easier to use. It's not just all about a cosmetic difference, either. Some exciting changes are being made behind the scenes that will help you find products faster and help you through the checkout quickly. We look forward to your comments and suggestions!
